I'm going to the dentist.
I'm a little scared.

A friendly woman named
Jamie asks me to wait.
She says I can read, play
with toys, or watch a movie.

After a few minutes,
Dana calls my name.
Dana is the dentist's helper.

Dana shows me around
the office.
She teaches me how to clean
my teeth at home.

Dana says she will make my teeth super clean. She shows me the tools she will use. Some of the tools look scary, but the cleaning doesn't hurt.

Next, Dana takes special pictures of my teeth.

The dentist comes to check my teeth.
She looks at the pictures of my teeth.

The dentist says I need a filling.
I will have to come back another day.

I ask if getting the filling will hurt.
The dentist says it won't hurt much because it will be small.

The dentist says it's good we found the problem early. I'm not happy I need a filling, but I'm glad I went to the dentist!
